It pays to advertise. That's a recognized fact today. But bear this in mind: the only reason if pays to advertise is that millions of thrifty folks find it a paying proposition to be guided by the advertisements. If you will read advertisements consistently for a while you'll readily agree that this statement is true.

THINGS TO BE REMEMBERED

It will pay you in money saved. Real Bargains are offered daily in The Bulletin. Watch for them. Take advantage of them.

It will pay you in time saved. It tells where to get what you want, You don't have to "shop around." If your time is worth money, advertising will pay you.

It will pay you in added satisfaction. Advertising obligates a merchant to sell goods as advertised.

Reading the advertisements is a plain every-day business proposition. It is a duty you owe yourself and your pocketbook. Read the Bulletin's advertisements thoroughly.

In the past week the following news matter has appeared in The

Japan today spoke for the first time on that this question was not discussed at teh straits problem. Baron Hayashi, the the afternoon meeting. Taking up in Japanese representative, said that Japan. having great shipping interests in the Mediterranean, hoped for trade ests in the Mediterranean, hoped for trade in the Black sea and was vitally interseld in the regulation of Near Eastern so that Constantinople would be free waters. He was entirely in accord with the words of Richard Washburn Child, posals were adequate, so far as military the American ambassador, concerning the Dr. J. Montgomery Mosher, 58, noted nerve specialist, died in Albany. He es-tablished the first psychopathic ward in Black sea, and that he had listened with great delight to the statements of Ismet Pasha, on behalf of Turkey, who had approcched the difficult problem in a sympathetic and conciliatory manner. Baron Hayashi added that the address of Lord Curzon, the British foreign minister, had ussured him that a solution of the straits uestion was nearing.

Lord Curzon opened the session with a long detailed review of the points on which the Turks differed from the entente plans, and replied to questions on which Ismet Pasha had asked further inobtained a license to wed Mrs. Louis formation at the morning session. His address indicated that most of the quesions on which the extente and the Turks differed were proper subjects for discus-sion in an informal way by military and naval experts, and expressed the opinion that such discussion would bring forward the necessary technical information which would undoubtedly form the basis for agreement.

The only harsh note of the ses when M. Tchitcherin and M. Rakovsky, also of the Russian delegation, demanded that Russic be admitted to all informal discussions which may take place between the military and naval experts of the Turks and the entente on the straits question. Lord Curzon held this would be impossible, as these discussions would be informal and wholly unofficial. He make changes in it in the vicinity of Consaid that Russia had no right to demand representation when other content into the Turks and the entente on the straits

IN PRESIDENT'S MESSAGE Washington, Dec. 8. (By the A. P.)-Georges Clemenceau, closing his visit to P.)—The business district of Astoria Washington this afternoon with a "formai" address, expressed the hope that hundreds of persons are homeless and diplomacy would find the way to some property loss estimated at \$15,000,000 mal" address, expressed the hope that diplomacy would find the "way to sring America back into European affairs through what he interpreted as an "overture" by President Harding in the annual message, which the executive had read to congress a few hours earlier.

"I was greatly comforted," said the way greatly comforted, said the stores, theatres, and numerous buildings a variety of business states.

war-time premier of France, "when I read in the message of your president the following lines. They are not very long, but they are very suggestive:

"The four power pact, which abolishes every probability of war on the Pacific, has brought a new confidence attributed the disaster to failure to fill the following lines. They are not very long, but they are very suggestive:

"The four power pact, which abolishes every probability of war on the Pacific, has brought a new confidence in maintained peace, and I can well believe it might be made a model for like assurances wherever in the world any common interests are concerned."

"So you see," continued the Tiger, "that even those who are supposed to disagree, really agree at the very bottom of the feeling and reasoning power, That is what I ask, and I hope this is something like an overture, that some the destroyed area lost everything they had except the clothing on their backs.

That is what I ask, and I hope this is
something like an overture, that some
light will be coming, and I will be very
glad if it comes from America, and I
hope that diplomacy will have something to say about it, and talks may be
engaged in, which, I am sure, can bring
nothing but good for us-ail."

When Clemenceau's reterence to the
president's message was called to the
attention of the White Rouse, it was
raid that there was no comment to be
made and that there was no comment to be
made and that there was no intention
of elaborating on the president's statement to congress.

Clemenceau's address, delivered before an audience which included many
diplomats, government officials and
members of both houses of congress
was, in its essence, the 'peace message'
he first delivered in Chegago But, apparently sensing that official Washington would judge of him and his mission by this speech, he spoke deliberately, and chose his words with great
precision.

That is what I ask, and I hope this is
to hese, many persons occupying rooms
in the secopt dares lost everything
they had except the clothing on their
beacks.
